About magppie

- Established in 1996, Magppie Communications, Inc. is a woman-owned marketing and design firm working with clients to unleash the full potential of their brand. We collaborate with our clientele who come to us via referral. Magppie is based in Reston, Virginia and Naples, Florida. We take pride in working with businesses across the street, across the river and across the country. Please visit our website at magppie.com to see samples of our work. We look forward to exceeding your expectations.
