Increase your staff's potential with maggpie!

As a full-service, marketing and design firm, maggpie is uniquely positioned to assist you in growing your business. Whether you need help on an individual project or a fully integrated strategic marketing campaign, you can rely on maggpie to deliver a competitive edge.

About maggpie

Established in 1996, Maggpie Communications, Inc. is a woman-owned marketing and design firm working with clients to unleash the full potential of their brand. We collaborate with our clientele who come to us via referral. Maggpie is based in Reston, Virginia and Naples, Florida. We take pride in working with businesses across the street, across the river and across the country. Please visit maggpie.com to view samples of our work.

Clients

Our clients consist of small to nationally recognized insurance and telecommunication companies, banks and law firms, builders and developers, non-profits, associations, credit unions, technology start-ups and a variety of small businesses.
